### Section 4 - Declaration

I have benefits in the pension scheme or arrangement named in Section 2. Please give me an estimate of the pension benefits that a transfer value from that scheme would buy me. I understand that, after I have received my estimate, my application for the transfer to go ahead must be received by HSC Pension Service within the time limits explained in the Pension Transfers Information Leaflet.

I authorise HSC Pension Service to obtain any information they require concerning my pension benefits in my previous scheme or arrangement.
