1. Practice Administration Guide

A reminder that the [GP Practice Administration Guide](#) has now been updated and is available on our website. This covers topics previously covered in the Quarterly Newsletters and will be updated on an ongoing basis to reflect any changes in administration processes. Please visit the website regularly in order to access current forms and current information.

2. Final Pay Control - Relevant to GPs as Employers

Final pay control is applicable ONLY to all members of the 1995 Section (or transitional CARE members with 1995 service who retain their Final salary link) of the HSC Pension Scheme who retire with entitlement to officer benefits. This includes non-GP providers and independent healthcare provider employees.

If a member receives an increase to pensionable pay that exceeds the allowable amount in any of the three years prior to their last day of service, the employing authority that awarded the excess pay will be liable for a final pay control charge.

Further information and worked examples are available on our website at [Final Pay Controls and Employer Charge Factsheet](#).

3. Joiners / Leavers

If a member joins the scheme within your Practice, please ensure a completed [J2](#) form is forwarded to HSC Pension Service either via post or email to hscpensions@hscni.net

If a members opts out of the scheme or leaves the Practice, please ensure a completed [T55A](#) is forwarded to HSC Pension Service either via post or email to hspensions@hscni.net

4. GP1 Monthly Forms

Thank you to those of you that submit your GP1s within the monthly timeframes. Unfortunately despite communications and reminders we are still finding that each month some GP1s are received late. Going forward the late submission fee will be applied if the GP1 is received outside the timeframe.

Principle, salaried GP's or GP Locums should **NOT** appear on the GP1 form.

Please also ensure the correct month is on the GP1 as this will save administration time for all parties.

6. Pensions Workshop

We recently attended a very successful workshop organised by Royal College of General Practitioners Northern Ireland (RCGP NI) in the Glenavon House Hotel, Cookstown.

We covered practice staff administration, GP administration, pension scheme benefits, pension scheme overview. The feedback received was very positive and we thank all of the participants for their attendance and input on the day. We will continue to work with RCGP NI and your Practice Support Managers to facilitate further workshops in the 2019/2020 year.
