Personal Details

Please complete all the boxes including 'Calendar Month and Year' box.

Tiered Contribution rate

Please tick one of the boxes stating your provisional tiered contribution rate for the current (April-March) pension year; refer to employer circular HSC (P) 0113 (www.hscpensions.hscni.net) for more guidance in respect of the tiered contributions. The box you tick must remain consistent in all the form B's you complete from April to March and must correlate with 'Box d' at Part 2. If at year end, it is found that the rate was too low you will have to pay arrears based on the correct rate. If the rate was too high you will be due a refund from your HSC Board.

Part 1

Enter on each line of form GP Locum B (NI) the period of GP Locum HSC work and total gross pay you received, from one GP Practice/Health Board in the previous calendar month and attach all the forms GP Locum A (NI). If you worked 2 or more individual periods during the month (ie periods separated by a break of 1 or more days) you need only enter the first and last of the days covered by the payment. If a period of work ended soon after the end of the month eg on 3 October 2014, and you have received payment and have the relevant form GP Locum A (NI), you can enter it on your September form GP Locum B (NI). **You cannot apply for scheme membership for any period of locum GP work that ended more than 10 weeks before the date BSO received the application.**

Part 2

- Add up the total gross GP locum pay you received and write the amount in box (a)
- Only 90% of this gross pay is pensionable – enter 10% of the gross pay in box (b)
