

Application for payment of Child Allowance (AW9)

This form only applies to members whose Scheme membership extends to or beyond 1st April 2008

This form should be completed by the surviving parent or guardian of the child/children, or by the child if aged 18 or over

Member's surname:

Other names:

Member's National Insurance number:

--	--	--	--	--	--	--	--	--

HSC Pension Service may be able to pay a pension for any dependent children of a member who dies – see the Survivors Guide 'available on our website at www.hscpensions.hscni.net for more information about other possible child dependents.

We can pay child allowance to:

- anyone who has care of the children, or
- the children if they look after themselves

You can claim an allowance for anyone who:

- was dependent on the person who has died, and
- is under age 23 at the time of the member's death
- is aged 23 or over, but unable to earn a living due to a permanent physical or mental infirmity, from which that child was suffering at the time the member died

These notes explain how we will pay your pension. Please keep them in a safe place; you may need to look at them again. Please complete the form and return it with any other claim forms that have been sent to you.

Methods of payment

We will pay the pension by direct credit into your bank or building society account. This is by far the safest method of payment. The account can be with a bank or building society:

- In the United Kingdom (we cannot pay to mortgage accounts or to National Savings Bank accounts) ,or
- Overseas* (provided it is capable of receiving secure electronic payments of funds please contact our department for further information).

**You will need to complete a mandate for the payment to be made to an overseas bank and attach it to this claim form. The overseas bank mandates are available by contacting our department on 028 71 319111. If you do not have a suitable account, you will need to open one.*

We will normally pay the pension monthly (one twelfth of the yearly rate, to the nearest penny) on the last banking day of the month (this may not be the last day of the month). A 'pension month' is the period between one payment date and the next. If a pension starts part way through a 'pension month', the first payment will be for the amount due for the number of days in the part-pension month. We will not send details of the pension

each time a payment is made. But we will write when your pension begins and each time there is a change in your tax code or in the yearly rate, for example because of a cost of living increase.

Changes you should tell us about

You should tell us immediately if:

- you change your address
- your bank or building society account details change
- a child is admitted to hospital or other institution for a period exceeding one month

You can contact us using the following details:

Telephone: 028 71 319111 – we are available for calls from 9am to 4pm Monday to Thursday, and 9am to 12noon Friday.

Pensions Increase

HSC pensions are increased to keep pace with rises in the cost of living. They are increased by the same percentage as the increase to the State Earnings Related Pension Scheme.

Income Tax

Your pension is treated for tax purposes as earned income. At first, we will deduct tax under a temporary code until we get the right code from the Tax Office. The Tax Office will decide what your tax code should be.
